CONSTRUCTION INDUSTRY CRIME PREVENTION

Seminar classes for:

Law Enforcement
Equipment Owners, Dealers and
Rental Companies
Fleet Managers, Contractors, and
Agribusiness

**Law Enforcement Instruction Provided By:
National Insurance Crime Bureau (NICB)**

**Equipment Industry Instruction Provided By:
Construction Industry Crime Prevention Program
And
National Equipment Register (NER)**

By exploring the growing problem of construction and agricultural equipment theft, the challenges that hinder equipment recovery and latest equipment security technologies, attendees will be better prepared to address the impact of equipment theft.

A **general session** will discuss the equipment theft problem, recovery challenges and solutions. **Break-out** classes will provide law enforcement with training on equipment identification and investigation. Classes for equipment owners will address theft prevention, improving recovery of stolen equipment, and making the most of NER and CICIP's resources.

Networking – A primary goal of the Summits is to facilitate a dialogue between the Equipment Industry and Law Enforcement to find solutions to this mutual problem.
