

Construction Industry Crime Prevention Program of Central California

THEFT ALERT RECOVERY

The Construction Industry Crime Prevention Program of Central California (CICPP) recovers a \$15,000.00 Fork Lift. Madera Roofing, became a member two weeks ago. During a Site Security Survey, information of a past stolen forklift was given to CICPP. Today Madera Roofing contacted CICPP and advised of information as to the possible whereabouts of the pass reported stolen forklift. CICPP initiated information to several confidential informants. Within 3 hours, information was received as to the whereabouts of the two year stolen forklift. The Fresno Heat Team was notified of the circumstances. An investigation was conducted and the stolen forklift was located. Arrest in this investigation is pending. The forklift was recovered and returned to CICPP Member Madera Roofing. Executive Director David Arebalos, is working closely with CHP Investigators. If you're not a member of CICPP, this is a prime example why you should be.

Please forward any information regarding this Recovery to the California Highway Patrol, Special Investigative HEAT Team or David Arebalos, Executive Director CICPP of Central California (559) 436-4987 or cicppcencal@gmail.com CICPP referring to case [MR071811](#).
